

WELCOME BACK KIDS ZONE

What will we do?

We've started off August with lots of Perler beads, bracelets, and watercolors by popular demand. In the gym, our current most popular games have been color tag and Wazoski ball. The students have already begun Kids Zone clubs, starting out the year with Pokemon Club. In September, we will be learning how to make our own buttons and key chains.

Exciting Opportunities

Many of our 4th and 5th graders have been specially chosen to help walk kindergarteners at dismissal. These students have been doing amazing and we are so proud of them. As Jr. Councilor applications start we will have more job opportunities for students! Jobs are completely voluntary and highly valued.
