Students enrolled in the A+ program participate in various community service projects and are dedicated to upholding academics in an effort to add a Market Value Asset to their education and earn scholarships.

**MARKET VALUE ASSET (MVA)**

Market Value Asset is defined as industry valued and recognized skills acquired in high school that create a more seamless transition from school to postsecondary education and/or the workplace. Students who leave high school with a diploma and market value assets are more likely to enroll in postsecondary education/training and successfully navigate the journey from school to employment.

**MISSOURI A+ PROGRAM**

Students enrolled in the A+ program participate in various community service projects and are dedicated to upholding academics in an effort to add a Market Value Asset to their education and earn scholarships.

**EAGLE EXPRESS**

Liberty North has its own version of Kinko’s. Students sort and organize school mail, deliver packages and copies to classrooms, submit printing requests, and schedule pickups for UPS and Amazon packages.

**CONVENIENT EAGLE**

The Convenient Eagle exists to empower students to develop and utilize their vocational skills. The real-world work experience increases the students’ employability. The Convenient Eagle is a place where students can come and purchase school supplies and products.

**READERS/WRITERS WORKSHOP**

Reading and writing are essential components of life and the workforce, and students need these critical skills to be successful. Teachers provide students with reading and writing strategies that they can apply to any text, and students practice using these strategies independently with books and articles that interest them. Utilizing the readers/writer workshop creates an environment for learners to be more active and engaged while also helping them to find success in their own learning.
**ESports**

ESports is a growing activity that provides scholarship opportunities for students. Students have the opportunity to practice in a fully functional gaming room. Esports is dedicated to developing and enriching players with critical thinking and problem solving skills.

**Flex Hour**

Flex Hour establishes an environment of trust and respect, teaches time management skills, and offers students agency in choosing how best to spend their Flex Hour each school day. High School students have a daily Flex Hour to work independently, access academic support, or utilize other school resources.

**North Nation Customs**

North Nation Customs is a custom t-shirt shop where students work collaboratively with their peers and teachers to create and design apparel. Students develop the skills to take an idea from conception to implementation.

**North Nation Laundry Station**

North Nation Laundry Station is an affordable resource for students, staff, coaches, and community members. Students provide washing and drying service, stain removal, ironing, and sneaker deep-cleaning.

**North Nation Alteration**

A student-run clothing repair service that offers apparel improvement from custom hems, button attachments, zipper adjustments, basic mending, and garment tailoring.
