From the Eagle's Nest— Welcome from the Principal

Dr. Rosemary Camp

As we begin the 2023-2024 school year, we would like to extend a warm welcome to our Eagle families. It is a privilege to serve as the Principal of Liberty North High School. Our mission remains ***Building Learners and Future Leaders through Inclusion, Instruction, and Innovation.*** With a renewed focus on relationships and rigor, we are committed to fostering a safe learning environment in which all students can thrive. Through a combination of real world learning opportunities, competency-based instructional experiences, and project-based learning options, it is our intention that all students leave Liberty North both college and career ready.

At LNHS, we strive to establish a positive school climate that encourages all students to set high expectations for themselves personally, academically, and socially. We endeavor to promote a school culture that cultivates respect and personal accountability and fosters a sense

of belonging for all students. We are grateful that our school community offers a myriad of opportunities for our Eagles to connect, engage, and grow.

We recognize that providing clear expectations for all stakeholders facilitates effective school operations. To that end, we wish to provide a few reminders regarding school day routines.

- High school students are scheduled for Flex Hour as part of their daily schedule. During Flex Hour, students have the choice to work independently, access academic support, or socialize in small groups in one of the designated Flex Zones. Seniors and Juniors with parental permission forms on file may leave campus during Flex Hour.
- Liberty Public Schools offers a variety of school lunch options that meet nutrition guidelines. As a result, LPS does not offer an open campus during lunch and outside food deliveries are prohibited during regular

school hours. Please support both our school cafeteria and school district policies by honoring these expectations.

In an attempt to streamline the registration process, we encourage you to register and pay fees online and have placed all necessary forms and information on our website for your convenience. If you would prefer in-person registration, we will be available on August 8th between 9 a.m. and 3 p.m. and on August 9th between 11 a.m. and 6 p.m. to complete your registration needs.

Please consider this message as an invitation to partner with our school community, as we recognize how vital a strong home-to-school connection is for student success. Again, thank you for the opportunity to serve as the Principal of Liberty North High School. I am eager for the school year to begin and excited for the possibilities that await us as we embark on this journey together.

MSHSAA Activities

Missouri State High School Athletics and Activities Association requires each participant to have a minimum of 3.0 acceptable credits of course work prior to their participation in athletics, vocal and instrumental music, debate, forensics, and scholar bowl. This equals six classes. In addition, students must be enrolled in six or more classes for credit for the fall semester.

LNHS Athletic Activity Passes

Students in grades 9-12 have the option to purchase a high school activity pass. This pass will admit students into LNHS home athletic events, EXCLUDING tournament and post season competitions. The cost of the activity pass for the 2023-24 school year is \$30 and will be discounted to \$15 for second semester. The activity pass will be added to the student ID card and distributed before the first home event. Passes may be purchased during student registration or in the athletic office. The deadline to purchase for the first football game is Aug. 11, and it is suggested all activity passes be purchased by that date.

Liberty North High School Parking Pass Policies & Procedures

ELIGIBILITY:

- Students must be seniors, juniors and sophomores for the current school year.
- Students must have a valid driver's license.
- Students must have insurance on the vehicle.
- Students must have cleared all financial obligations.
- Students may be denied the privilege to park based upon attendance issues, discipline issues, and/or parking/driving incidents.

REQUIREMENTS:

All students who are granted the privilege to park must have their parking permit displayed properly in their vehicle. All students will be issued a student parking permit and must park in the student lots only. Students are not allowed to park along curbs, on fire lanes, or in the faculty/visitor parking lots. All parking locations are clearly marked.

VIOLATIONS:

A ticket, parking boot, or tow (as deemed appropriate by the school administration) may occur for any violation. Tickets cost a minimum of \$10.00, boot cost a minimum of \$50.00, and towing fees are based upon tow company rates and will be accompanied by a \$10.00 ticket. Persistent offenders will face disciplinary consequences, and/or lose the privilege of parking during the current school year and/or the ability to park during the preceding school year.

LOSS of PRIVILEGE:

Student behaviors including, but not limited to, the following list may result in loss of parking privileges for the remainder of the current school year and/or the ability to park during the following school year.

- Having two or more parking violations
- Vehicular noise which disturbs school

SENIOR PARKING SPACES:

Members of the Class of 2024 have the opportunity to buy an exclusive parking spot in "Senior Row."

- Purchasers are able to paint the spot to customize it and will have a guaranteed space at school whatever time they arrive.
- There are a limited number of spots, so it is key to register and pay for the parking space as soon as possible.
- If all spots are filled, a waitlist will be created.
- The cost for a year-long spot is \$300 and must be paid in person at the LNHS office.
- The spot is non-transferable.
- Interested? Fill out the Parking Permit application online and drop off your payment and location preference at the main office.
- You must not be on the debtors list and payment for the pass must be made up front.

NON-REFUND POLICY: If a student loses the privilege to park on campus during the year, he/she is not eligible for a refund of parking fees. Purchased spots are non-transferable.
