The strategies will (mark all that apply)

- ✔️ Provide opportunities for all children, including subgroups of students, to meet the challenging Missouri Learning Standards.

Description of how strategy/strategies will provide

Students who are identified as below grade level standards in basic reading skills will then be given a diagnostic assessment. Students who have an MTSS plan will receive daily intervention and monthly progress monitoring with both iReady (digitally) and the QPS (face-to-face). Universal screening will take place three times throughout the 2023-24 SY. New students will be given the universal screeners during the first two weeks of beginning at Manor Hill Elementary to determine needs.

A reading specialist will provide additional small group reading support to K-5 students. iReady reading scores will be used to identify students and diagnostic assessments will be used to identify missing skills. The reading specialist will provide evidence based instruction and progress will be monitored monthly using iReady and the diagnostic assessments.

In addition, ALL53 will be implemented that has one trained interventionist who targets primary students through daily interventions. LPS pays for this program with non-Title funds.

- ✔️ Use methods and instructional strategies that strengthen the academic program in the school.

Description of how strategy/strategies will strengthen

**Reading:** Orton Gillingham, Fountas & Pinnell Leveled Literacy Intervention (LLI), PALS, Rewards, Lexia Lessons, and iReady Instruction lessons will be used during intervention and small group reading instruction. All staff delivering interventions will be trained during the 2023-24 school year by the principal.

**Math:** The use of online intervention tools to provide instructional supports and individual instructional plans for students below grade level. Eureka Math training will continue and will enhance the teachers’ use of best mathematical practices.

- Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the Missouri Learning Standards

Description of how strategy/strategies will address

Provide a K-5 system-wide intervention program for reading. iReady will be used to screen and monitor progress for all students. Students who are identified as below grade level standards in basic reading skills will then be given a diagnostic assessment. Students who have an MTSS plan will receive daily intervention and monthly progress monitoring with both iReady (digitally) and diagnostic assessments (face-to-face). Universal screening will take place three times throughout the 2022-23 school year. New students will be given the universal screeners during the first 30 days at Manor Hill Elementary to determine needs.

A reading specialist will provide additional small group reading support to K-5 students. i-Ready Reading scores will be used to identify students and the diagnostic assessment will be used to identify missing skills. The reading interventionist will provide evidence based instruction and progress will be monitored monthly using i-Ready Reading and the diagnostic assessment. The reading interventionist will assist in the process of progress monitoring, data analysis, student grouping, matching intervention resources, and instructing identified Tier 2 & 3 students.
