# HOPE Awards

Since 1996, the Foundation has recognized students who display exceptional attitudes and actions, inspire others and make their schools and communities better places with HOPE Awards. Each elementary and secondary school in the Liberty Public Schools nominates a recipient for the Personal Initiative, Courage and Humanitarian awards, and secondary schools also select recipients for the Integrity and Community Service awards.

## A SEASON OF CELEBRATION

As our entire LPS team prepares to close out the 2022-2023 school year, there is so much to celebrate in Liberty Public Schools. In fact, the pages that follow are a small sample size of the many recent achievements and accomplishments made by our talented students and staff. You will also see the names of the nearly 1,000 Class of 2023 graduates that concluded their academic careers with us. We wish each of them nothing but the best as they continue their respective journeys.

I would also like to take a moment to thank our LPS community for the support you showed our District with the resounding passage of our two ballot issues on April 4, 2023. As I shared with our staff, these results confirmed that our community believes in us, trusts us, and values Liberty Public Schools and public education. It now continues to be our duty to be good stewards of the resources provided to us, and we are committed to making our community proud.

Finally, as we enter into the summer months, it is my hope that you find time to unplug, refresh, and find the time to do all of those things that you enjoy.

It won't be long until we are preparing for the start of the upcoming 2023-2024 school year. If you are new to the Liberty Public Schools community, or simply have a question, we encourage you to learn more about us by visiting our website at [www.lps53.org](http://www.lps53.org). Thank you for letting us serve the nearly 13,000 learners of LPS and being a part of their respective journeys.

Be well!

## LPS BALLOT ISSUES APPROVED CONVINCINGLY

Liberty Public Schools had two issues approved by local voters on Tuesday, April 4, 2023. The \$120 Million No Tax Increase Bond Issue was passed with 80% approval. The No Tax Increase Levy Transfer Issue was passed with 66% approval.

Passage of the two issues comes following a nearly two-year long-range planning process. In December, the Board of Education unanimously voted to place the two issues on the April ballot. Members of the Liberty Public Schools team spent several weeks sharing information with LPS stakeholders as part of its informational campaign.

“These approvals were the result of incredibly hard work by our entire LPS team,” Liberty Public Schools Superintendent Dr. Jeremy Tucker shared with staff on Wednesday, April 5. “This was due to the great things taking place in all of our buildings and departments across LPS, and the support that our families and community have for you. There is no doubt that these past several years have been challenging, both during,

and now following, the pandemic. Last night’s results confirmed that our community believes in us, trusts us, and values Liberty Public Schools and public education.”

The approval of the bond issue will allow the District to begin planning and implementing project work throughout LPS over the course of the next several years. These projects will be focused on safety, security, accessibility improvements, student learning enhancements, and increasing operational efficiencies across the District. The various projects that will be completed are available to view on the LPS website.

Approval of the levy transfer issue allows for the Board of Education to execute the recent goal of attracting and retaining quality staff to Liberty Public Schools. Transferring 50 cents from the district’s debt service levy to the operating levy will allow for LPS to be increasingly competitive with staff salaries in upcoming years.

“We cannot thank our community enough for the support shown to us,” Tucker said. “Liberty Public Schools is a special place, with special people, and we look forward to the many great things that lie ahead for LPS.”

## REED, BYRD, BAUER ELECTED TO LPS BOARD OF EDUCATION

“We congratulate each of them for being elected to serve,” said LPS Superintendent Dr. Jeremy Tucker. “Most importantly, we thank them for their willingness to serve our community and to donate countless hours to support our students, staff, families, and community.”

Despite the 2022-2023 school year officially coming to an end Thursday, May 25, 2023, the learning in LPS will resume with our summer school program in June. This year’s summer school program takes place June 5-29, 2023. While the deadlines to receive transportation and Kid’s Zone have passed, there is still time to enroll for the program.
