2023 graduates  
(Front Row L-R): Morgan Cannon, Santina Juma; Back Row L-R: Wyatt Hensley, Edward Ruiz
As our entire LPS team prepares to close out the 2022-2023 school year, there is so much to celebrate in Liberty Public Schools. In fact, the pages that follow are a small sample size of the many recent achievements and accomplishments made by our talented students and staff. You will also see the names of the nearly 1,000 Class of 2023 graduates that concluded their academic careers with us. We wish each of them nothing but the best as they continue their respective journeys.

I would also like to take a moment to thank our LPS community for the support you showed our District with the resounding passage of our two ballot issues on April 4, 2023. As I shared with our staff, these results confirmed that our community believes in us, trusts us, and values Liberty Public Schools and public education. It now continues to be our duty to be good stewards of the resources provided to us, and we are committed to making our community proud.

Finally, as we enter into the summer months, it is my hope that you find time to unplug, refresh, and find the time to do all of those things that you enjoy. It won’t be long until we are preparing for the start of the upcoming 2023-2024 school year. If you are new to the Liberty Public Schools community, or simply have a question, we encourage you to learn more about us by visiting our website at www.lps53.org. Thank you for letting us serve the nearly 13,000 learners of LPS and being a part of their respective journeys.

Be well!

Dr. M. Jeremy Tucker
Superintendent
Liberty Public Schools

Liberty North High School teacher Kurt Gates and several of his AP Government students were recognized by Missouri Rep. Chris Brown earlier this semester for helping to pass Missouri Senate Bill 681 in the 2022 Legislative Session. They were also recognized at the Tuesday, March 28, 2023, Board of Education meeting for their efforts. Pictured (L-R) include: Addie Kimmerle, Madison Tucker, Kurt Gates, Santina Juma, and Mateo Navarro.

Liberty High School Freshman Lilly Breeden became the first LPS female to take home a state championship in wrestling. She won the title in the 100 lb. weight class.

The Liberty High School Boys Wrestling team took home their fourth straight State Championship this spring. The victory included individual state champions Christopher Coates (138 lbs.), Gavin Linsman (144 lbs.) and Hunter Taylor (120 lbs.).

Liberty North High School's Motie Williams brought home an individual state wrestling championship. He was the winner of the 285 lb. weight class, and was recognized at the Tuesday, March 28, 2023, Board of Education meeting.

The Liberty High School Sapphires dance team took home first place at state for the 12th time in the last 15 years.

Liberty North High School swimmer Avery True won two first place medals at the state competition - the 200 Free and the 500 Free. She also set a new overall MSHSAA record in the 500 Free.
LPS BALLOT ISSUES APPROVED CONVINCINGLY

Liberty Public Schools had two issues approved by local voters on Tuesday, April 4, 2023. The $120 Million No Tax Increase Bond Issue was passed with 80% approval. The No Tax Increase Levy Transfer Issue was passed with 66% approval.

Passage of the two issues comes following a nearly two-year long-range planning process. In December, the Board of Education unanimously voted to place the two issues on the April ballot. Members of the Liberty Public Schools team spent several weeks sharing information with LPS stakeholders as part of its informational campaign.

“These approvals were the result of incredibly hard work by our entire LPS team,” Liberty Public Schools Superintendent Dr. Jeremy Tucker shared with staff on Wednesday, April 5. “This was due to the great things taking place in all of our buildings and departments across LPS, and the support that our families and community have for you. There is no doubt that these past several years have been challenging, both during, and now following, the pandemic. Last night’s results confirmed that our community believes in us, trusts us, and values Liberty Public Schools and public education.”

The approval of the bond issue will allow the District to begin planning and implementing project work throughout LPS over the course of the next several years. These projects will be focused on safety, security, accessibility improvements, student learning enhancements, and increasing operational efficiencies across the District. The various projects that will be completed are available to view on the LPS website.

Approval of the levy transfer issue allows for the Board of Education to execute the recent goal of attracting and retaining quality staff to Liberty Public Schools. Transferring 50 cents from the district’s debt service levy to the operating levy will allow for LPS to be increasingly competitive with staff salaries in upcoming years.

“We cannot thank our community enough for the support shown to us,” Tucker said. “Liberty Public Schools is a special place, with special people, and we look forward to the many great things that lie ahead for LPS.”

REED, BYRD, BAUER ELECTED TO LPS BOARD OF EDUCATION

On Tuesday, April 4, 2023, Ms. Angie Reed, Mr. AJ Byrd, and Ms. Jenn Bauer were elected to serve on the Liberty Public Schools Board of Education. Each of these individuals will serve three-year terms. They were officially sworn in to their respective seats at the Board of Education meeting held Tuesday, April 18, 2023.

“We congratulate each of them for being elected to serve,” said LPS Superintendent Dr. Jeremy Tucker. “Most importantly, we thank them for their willingness to serve our community and to donate countless hours to support our students, staff, families, and community.”

Despite the 2022-2023 school year officially coming to an end Thursday, May 25, 2023, the learning in LPS will resume with our summer school program in June. This year’s summer school program takes place June 5-29, 2023. While the deadlines to receive transportation and Kid’s Zone have passed, there is still time to enroll for the program.

Visit the summer school website at www.lps53.org/summerschool for more information!
