Our mission at Zaxby's is to consistently create encore experiences that enrich lives, one person at a time.

We do that by:

- **Being Guest Focused** – from the design of our dining room to developing menu items, we keep our Guests in the center of everything we do.
- **Developing a Competent Caring Team** – we realize our people are our greatest asset. We strive to attract the best because as they grow, we grow.
- **Operational Excellence and Continuous Improvement** – we hold ourselves to the highest standards and we are never satisfied with the status quo.
