

My New School

A social story written for kindergarteners

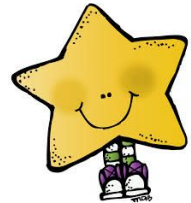

This is my new school,
Kellybrook Elementary.

Sometimes it's a little hard to go to a new school,
especially when you don't know what it is like.

This book will help me get ready for my new
school and will show me the special places and the
VERY special people that are waiting for a very,

VERY special **ME** to arrive...

This is my new school, **Kellybrook Elementary** and it is a great place to learn and grow and play!

These are the Principals that can't wait to greet you!

Mrs. Wilson, Principal

Ms. Burrell, Assistant Principal

This might be what my kindergarten classroom may look like.

Ms. Vochatzer

Mrs. Gee

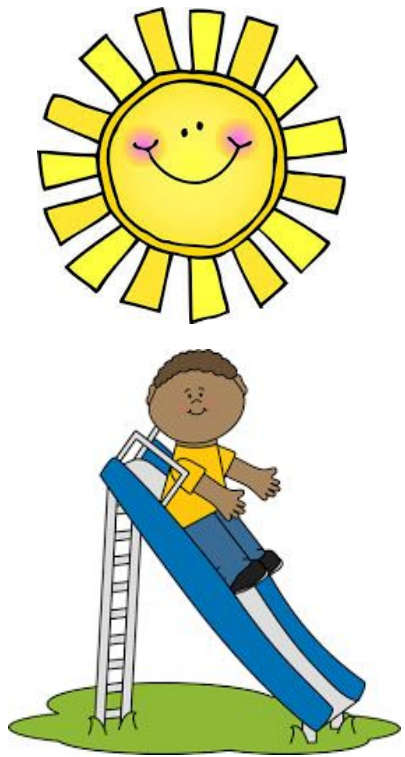

Mrs. Burton

Mrs. Watkins

These are the kindergarten teachers.
They can't wait to meet me!

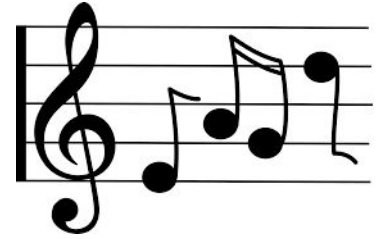

The playground is where I can slide, jump, run, pretend, swing, and play, play, play during recess!

Mrs. Vannelli and Mrs. Phillips

In the library, I will be able to check out new books and listen to stories.

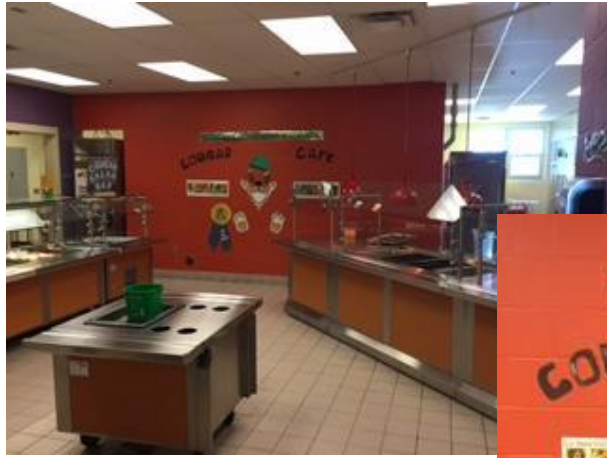

Mrs. Evans will be my music teacher and she will help me sing and play instruments and have fun with music.

Mrs. Roark will be my art teacher
and will help me draw, paint, and
play with clay with my friends.

Coach Leone will be my gym teacher.
He will have fun exercises and games for
me to play.

At lunch with my friends, I will
be eating in the cafeteria.

My new school is a special
place with VERY special
people that are excited to
meet a VERY, VERY
SPECIAL me!
