My New School
A social story written for kindergarteners

This is my new school, Kellybrook Elementary.
Sometimes it’s a little hard to go to a new school, especially when you don’t know what it is like. This book will help me get ready for my new school and will show me the special places and the VERY special people that are waiting for a very, VERY special ME to arrive...
This is my new school, Kellybrook Elementary and it is a great place to learn and grow and play!
These are the Principals that can’t wait to greet you!

Mrs. Wilson, Principal

Ms. Burrell, Assistant Principal
This might be what my kindergarten classroom may look like.
These are the kindergarten teachers. They can’t wait to meet me!
The playground is where I can slide, jump, run, pretend, swing, and play, play, play during recess!
In the library, I will be able to check out new books and listen to stories.

Mrs. Vannelli and Mrs. Phillips
Mrs. Evans will be my music teacher and she will help me sing and play instruments and have fun with music.
Mrs. Roark will be my art teacher and will help me draw, paint, and play with clay with my friends.
Coach Leone will be my gym teacher. He will have fun exercises and games for me to play.
At lunch with my friends, I will be eating in the cafeteria.
My new school is a special place with VERY special people that are excited to meet a VERY, VERY SPECIAL me!
