

LPS53 Class of 2022 ACT Testing Voucher

Attention current Juniors (Class of 2022)! This school year's current Juniors in Liberty Public Schools will have the opportunity to complete the ACT. Liberty Public Schools will be issuing one ACT testing voucher to each current Junior student (Class of 2022) to participate in one ACT test of their choosing over the next year.

How can a student still participate in ACT testing before graduating in 2022?

The district has worked with ACT to issue one **ACT testing voucher** to each current Junior student (Class of 2022) to participate in one ACT test of their choosing over the next year. The first opportunity to use the voucher will be the December 12, 2020 **national testing date**. Students will be able to sign up for an ACT voucher for testing between October 20, 2020 to November 24, 2020. Students can begin requesting a voucher immediately.

How does the LPS ACT Voucher process work?

If a current student for the Class of 2022 **chooses to participate** in ACT testing, the student will need to indicate if they will test during the 2021 ACT test year which ends in July. The student will use the **LPS Class of 2022 voucher request link** below to indicate their choice of test date. This request link needs to be **completed by November 24, 2020**.

What would a student need to do in order to participate?

- Student must be a current enrolled Junior (Class of 2022) in Liberty Public Schools.
- Student must complete the **Google Form Voucher Request** by **November 24th, 2020**.
- Student **receives** a 2021 **ACT voucher** from Liberty Public Schools by **December 1, 2020**.
- Student must **register** for one of the ACT test dates by the registration deadline below using the voucher information.
