

Society of Women Engineers (SWENext)

Thursdays, 3:30p

Sponsor

Eniola Ajayi, eniola.ajayi@lps53.org

Mission

Empower women to achieve full potential in careers as engineers and leaders, expand the image of the engineering and technology professions as a positive force in improving the quality of life, and demonstrate the value of diversity and inclusion.

Goals

Provide programming to help females under the age of 18 to develop leadership skills and self-confidence to succeed in a career in engineering and technology. Expand the image of the engineering and technology professions as a positive force in improving the quality of life. Demonstrate the value of diversity and inclusion. Provide programming to empower females under the age of 18 to become advocates for peers and younger girls.

Community Service

Partner with local girl scout troops to provide STEM enrichment activities

Planned Activities

First semester we will develop a submission for BATTLE OF THE BRAINS and have an STEM activity with a local troop. Second semester we will participate in another engineering competition and attend Introduce a girl to an Engineer Day.
