Early Childhood Center Flexible Learning Opportunities: Option 4

THINK	TECH	GO!
Look up a play dough recipe to make with your child. Then spend time talking about what you can create with the new play dough.	Kaleidoscope KC offers online resources to ignite you and your child's creativity. Visit https://hallmarkkaleidoscope.com/crayola-colorcycle/crayola-create-it-yourself/	Ask your child, how many steps will it take to go from the kitchen to the bedroom? Count the steps and compare to his/her prediction.
Give your child some paper and writing utensil and encourage them to "Write the Room". What letters, numbers or words can they find to write?	Visit the LPS ECC website and check out the link to Inspired Treehouse. Look under the Resources tab and select Brain Breaks.	Cosmic Kids Yoga has many child friendly yoga videos. https://www.youtube.com/user/CosmicKidsYoga
Use some shaving cream or soap in the bathtub to write letters and numbers or draw shapes.	Visit the LPS ECC website and check out the link to Tumble Books. Look under the Resources tab and select Brain Breaks.	Put your family's favorite music on and play Freeze Dance. When the music starts dance anyway you want, and freeze when the music stops.

At Liberty Public Schools we believe students are more engaged in learning when they are able to demonstrate their learning in a variety of ways. Our goal for the "Think-Tech-GO!" choice board is to provide students with rigorous learning opportunities; while also allowing for personalized student voice and choice...even when school is not in session.
