

DESIGNING ONLINE INSTRUCTION

MAKE INTENDED LEARNING CLEAR

Clearly describe the purpose and criteria for learning. Encourage students to set goals.

INCLUDE APPROPRIATE INSTRUCTION

Ensure students are receiving instruction that meets their needs around the intended learning.

WELLNESS

Focus on physical and emotional balance.

PROMOTE LEARNER AGENCY

Provide tips and ideas for what students do when they get stuck or are ready to move on in the learning.

PROVIDE RESOURCES FOR SUCCESS

Make sure students have a variety of resources and options to get their questions answered.
