

Survey time frame: July 29 - August 7 2021

Total Parent responses **1,958**

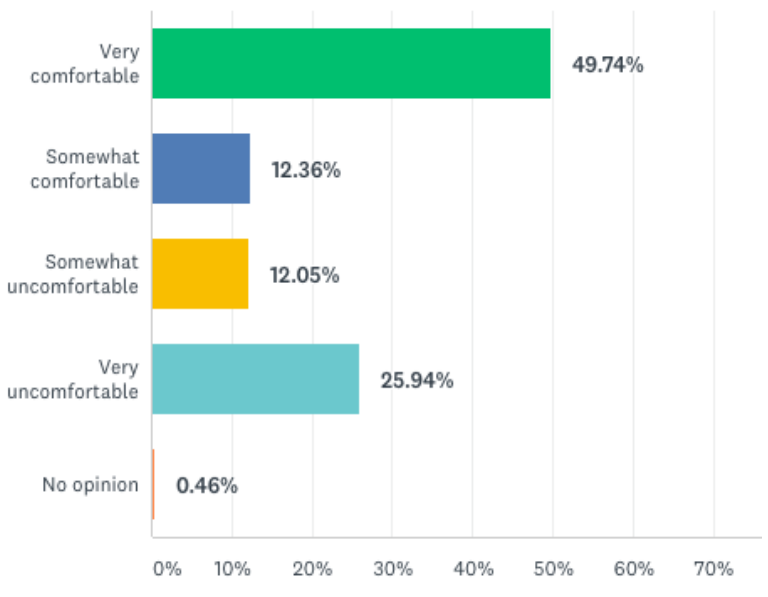

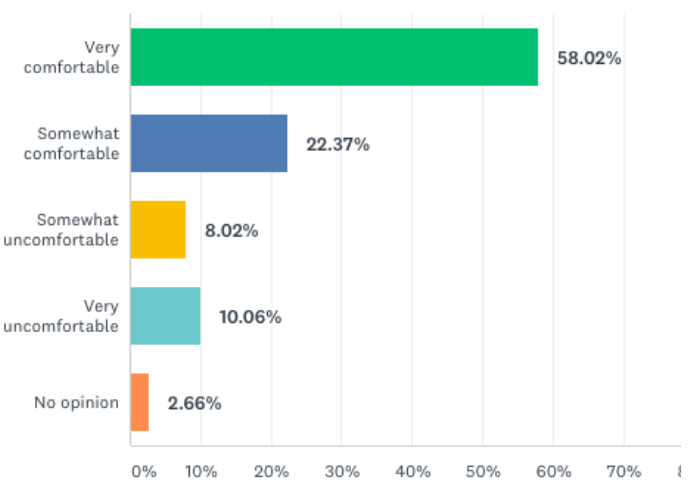

Please indicate which school level(s) your child(ren) will be enrolled in this upcoming school year.

The District's top priority for this upcoming school year is to open school on time and maintain in-person learning five days per week for the entire school year. Do you agree with this position?

Assuming masks are required for all staff and students, how comfortable are you with your child(ren) returning to five days per week of in-person learning this year?

Assuming masks are recommended (not required) for all staff and students, how comfortable are you with your child(ren) returning to five days per week of in-person learning this year?

Are there any other suggestions or comments you would like to share with LPS?

Qualitative data summary found in suggestions:

In order to give the District a clearer sense on student vaccination rates, and assuming you are comfortable responding, could you please select one of the following:

- Top priority for school is to keep students and staff safe.
- Appreciate the support of school staff.
- A group of parents indicated that masks should be required.
- A group of parents indicated that masks should be an option.
- Worried about students struggling emotionally.
- Parents expressed concern about student vaccination levels.
