If the District decides to change its plan and masks are optional or recommended next semester (assuming there is no longer a mask mandate in place for schools), would this cause your family to change your child(ren)’s learning mode of instruction (i.e., in-person/virtual learning)?

- Yes, my child(ren) would change: 4.35%
- No, my child(ren) would remain: 80.53%
- My child(ren) would remain: 13.21%
- Not sure at this time: 0.36%
- No opinion: 1.56%

If the District decides to retain its current policy that requires masks to be worn indoors next semester, would this cause your family to change your child(ren)’s learning mode of instruction (i.e., in-person/virtual learning)?

- Yes, my child(ren) would change: 3.75%
- No, my child(ren) would remain: 83.28%
- My child(ren) would remain: 9.26%
- Not sure at this time: 0.16%
- No opinion: 1.56%

Qualitative data summary found in feedback:

- Thankful for teachers and building leaders.
- Appreciation regarding the amount of communication.
- Parents acknowledged they would like to have masks optional.
- Parents acknowledged they would like to stay with current masking process.
- Parents shared frustration that students were struggling.
- Parents expressed concern about student vaccination levels.

In order to give the District a clearer sense of student vaccination rates, and assuming you are comfortable responding, could you please select one of the following:

- My child(ren) will be fully vaccinated: 55.42%
- My child(ren) will not be fully vaccinated: 28.21%
- Decline to answer: 16.36%
