

Survey time frame: July 29 - August 7 2021

N = 396

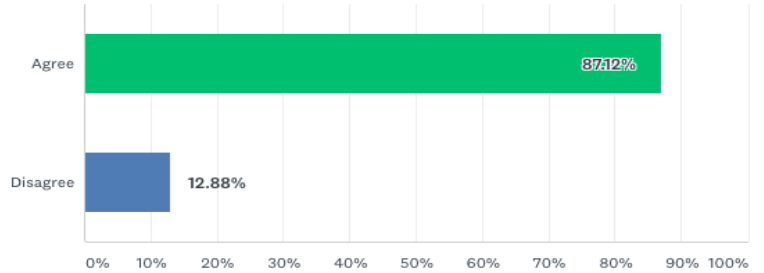

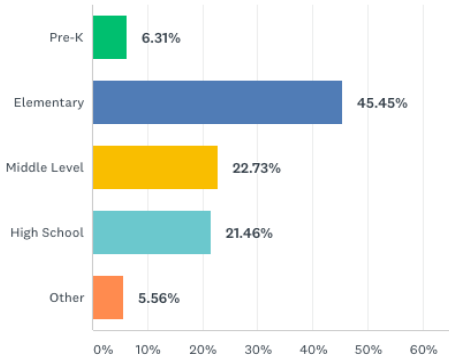

Total Staff responses

Certified/Teacher - 70%  
Support Staff - 25%  
Administration - 5%

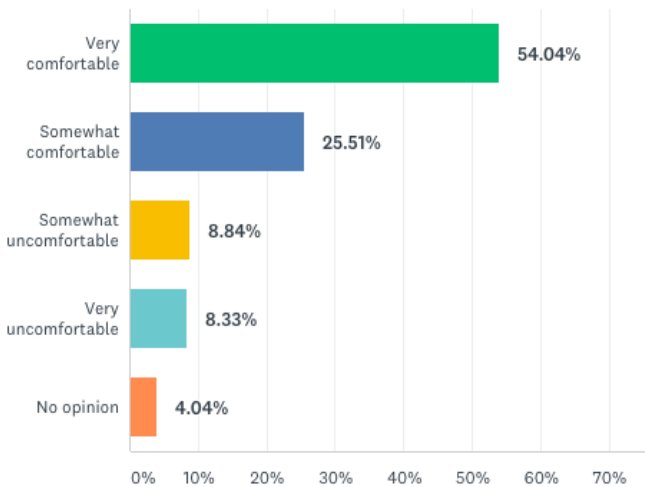

The District's top priority for this upcoming school year is to open school on time and maintain in-person learning five days per week for the entire school year. Do you agree with this position?

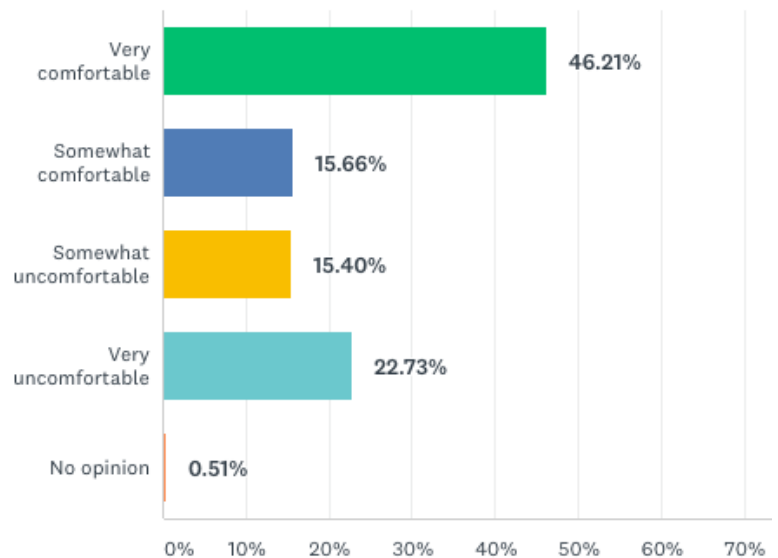

Please indicate which below best describes the location where you primarily work?

Assuming masks are required for all staff and students, how comfortable are you with returning or reporting to work this fall?

Assuming masks are recommended (not required) for all staff and students, how comfortable are you with returning or reporting to work this fall?

Are there any other suggestions or comments you would like to share with LPS?

Qualitative data summary found in suggestions:

- Top priority for staff is to keep students and fellow colleagues safe.
- Appreciate the support of parents and Administration.
- Staff members acknowledged masks will be difficult.
- Worried about students struggling emotionally.
- Staff expressed concern about student vaccination levels.

In order to give the District a clearer sense on staff vaccination rates, and assuming you are comfortable responding, could you please select one of the following:
