Elementary Grades K-5

***Students entering Kindergarten for 2024 Summer School will be Face to Face Only.**

Students entering grades K-5 will participate in a fun and engaging project-based learning environment that promotes critical thinking, problem solving, and collaboration through real world learning. Elementary students will also have the opportunity to engage in Specials Classes such as Physical Education, Music, Art, and Exploring Our World. Kindergarten will focus on gaining confidence and learning in a new engaging environment.

Middle School Grades 6-8

Students entering grades 6-8 will participate in engaging morning core classes that include English, Math, Science, and College/Career - Pathways to Success. The afternoon will allow students the opportunity for fun and engaging afternoon electives. 6th Grade students will have the additional opportunity to participate in focused transition lessons to prepare for a quality middle school experience.

Specials and Afternoon Classes

Students across the district will have the opportunity to participate in fun and engaging classes that foster creativity. **Based on the site, classes may include:*

Creative Writing

Art Experience

Health

Digital Photography

International Language

Sports
