

--sent 11/9/20--

LPS Staff and Families,

Late last week, we shared with you Covid-19 testing information provided by the Clay County Public Health Center. **Please note that the CCPHC is now requiring pre-registration to receive a test.** Families are encouraged to refer to their [website](#) for complete details and instructions if seeking a Covid-19 test through the CCPHC.

Thank you for your attention, and have a great start to the week!
