

(sent 2/3/22)

LPS Community,

Earlier this afternoon, we were notified of the approval of a mask ordinance extension by Kansas City, Missouri, that would require masks be worn by all staff, students, and visitors (grades K-12) while inside our facilities through **Thursday, February 17, 2022**. Similar to when the ordinance was approved last month, LPS will adhere to this extension and will require masks to be worn in all of our facilities through this approved date of **Thursday, February 17, 2022**.

Liberty Public Schools continues to monitor the COVID-19 situation and have been encouraged by the sharp decline in positive COVID-19 cases in recent weeks among both students and staff and are optimistic that further updates to mitigation protocols will be forthcoming soon. We will be committed to providing you with any further updates as they become available.

Thank you for your continued patience and flexibility as we continue to navigate through the pandemic. Have a nice upcoming weekend!
