

LPS Update
Friday, September 10, 2021

LPS Families,

As we close out another week of school, we wanted to take a moment to provide you with a brief update. Earlier today, Dr. Tucker recorded a video update that can now be accessed by [clicking here](#). Included in the update is a message from our Director of Health Services, Ms. Kathy Ellermeier, who shares several reminders as we not only continue to navigate the pandemic, but soon will enter the cold and flu season.

As always, we thank you for your attention and support of Liberty Public Schools, and have a nice upcoming weekend!
