LPS Families,

As we close out the short week, we encourage you to provide us with feedback on the *LPS Return to Learn Winter 2021 Parent Survey*. This survey is being offered in an effort to receive input as we look ahead to 2022 and the start of the second semester in LPS. To access this survey, [click here](#).

We wish everyone a safe and enjoyable Thanksgiving holiday week, and thank you for your support of Liberty Public Schools!
