

--sent 3/3/21--

LPS Community,

Earlier today, the Clay County Public Health Center (CCPHC) released its updated *Full Opening Guidance to Schools* document, which can be accessed by [clicking here](#). This guidance is currently being reviewed, and we will be providing our staff and families with an update as to how this guidance will impact our *Return to Learn* plans at the secondary level later this week.

As always, thank you for your continued patience and support of LPS!
