

Volunteer Information

The Early Childhood Center invites volunteers in a number of ways.

Ex:

- Reading to your child's classroom
- Classroom school supply donation
- Preparing teacher meals during conferences

Unfortunately in the time of COVID-19 we are forced to reconsider volunteers. We are modifying our volunteer survey that will go out to all families. This will help us determine which ways we may be able to accommodate those that would like to volunteer. A link to the new survey will be available once it is finalized.

Thank you for your patience.
