AVID Tutor

Purpose Statement
The job of AVID Tutor is done for the purpose/s of guiding students toward academic and personal excellence that will reach beyond their secondary school years. They are active participants in the learning, growth and personal development of students to prepare them to successfully attend college. AVID tutors support high school students enrolled in the AVID course by providing direct instructional support to students with the assistance of an AVID course teacher. In addition, they serve as role models to students.

AVID is an educational program for high school students that supports student preparation for college through an academic course that teaches necessary learning skills, reinforces the academic core, and encourages rigorous student course taking.

This job reports to the Principal - High School.

Essential Functions

- Assists in teaching study skills and other skills necessary for college preparation for the purpose of helping students improve and achieve academic success.

- Assists students in any subject area by being familiar with students’ textbooks, materials and AVID classroom resources for the purpose of ensuring a student's knowledge and understanding of specific subject matter.

- Assures that students complete work in a timely manner for the purpose of helping students improve study methods and meet objectives.

- Communicates regularly with the AVID coordinator/teacher regarding student progress and areas of concern and confer with the teacher about future tutorial plans for the purpose of fostering a positive and inclusive learning environment.

- Develops writing assignments for the purpose of encouraging critical thinking and promoting progressive learning.

- Establishes and maintains rapport with students for the purpose of serving as a role model to students.

- Facilitates student learning in a challenging, yet supportive, tutoring environment for the purpose of improving student academic capabilities in designated areas.

- Leads peer critique groups that underscore the principle of collaborative learning for the purpose of assisting the group to set a plan and early goals, which can be modified.

- Participates in all required trainings, professional development sessions and meetings for the purpose of collaborating with other teachers and administrators in the development, evaluation and revision of the program.

- Responds to student writing with helpful verbal and written comments for the purpose of motivating students achievement and success.

- Sets an example of personal excellence and high expectations for all AVID students for the purpose of serving as a role model.
Teaches mini-lessons for the purpose of encouraging critical thinking and ensuring that the students' knowledge is challenged and probed.

Works with students at all phases of the writing process (e.g. brainstorming, clustering, read arounds, revision and editing, etc.) for the purpose of helping students achieve a better understanding of specific subject area.

Works individually with students on writing assignments, as well as support student mastery of various content subject areas for the purpose of improving students study methods, including the selection of appropriate learning resources.
