Behavioral Aide

Purpose Statement

The job of Behavioral Aide is done for the purpose/s of providing support to the instructional program within assigned classroom with specific responsibility for improving students success in basic academics (reading, language and/or math); relieving teachers of clerical tasks; and assisting students by modeling the skills necessary to perform assignments.

This job is distinguished from similar jobs by the following characteristics: the Behavioral Aide has a paraprofessional certification in behavior analysis and is assigned to a position requiring the Registered Behavior Technician (RBT®) certification, as identified by the Director of Special Education.

This job reports to the Principal.

Essential Functions

- Adapts equipment under the guidance of therapist and teachers (e.g. seating, tables, desks, computer hardware, etc.) for the purpose of providing optimal positioning and increased independence for special education students.

- Adapts classroom activities, assignments and/or materials under the direction of the supervising teacher for the purpose of supporting and reinforcing classroom objectives and/or IEP goals.

- Administers immediate first aid and medical assistance as instructed by a health care professional (e.g. diapering, tube feeding, colostomy bags, etc.) for the purpose of meeting immediate health care needs and/or developing children's daily living activities and behavioral skills.

- Assesses students for the purpose of supporting IEP modifications and accommodations, district benchmarks and IEP goals.

- Assists in delivering behavior analysis services for the purpose of supporting students on an IEP.

- Attends meetings and in-service presentations (e.g. first aid, CPR, emergency procedures, etc.) for the purpose of acquiring and/or conveying information relative to job functions.

- Attends diligently to the safety of children and surroundings for the purpose of maintaining a safe and secure learning environment.

- Builds rapport and trusting relationships with students for the purpose of promoting a safe and secure learning environment.

- Collects and inputs data for case manager for the purpose of following established procedures.

- Communicates with supervising instructional staff and professional support personnel (e.g. teachers, counselors, etc.) for the purpose of assisting in evaluating progress and/or implementing IEP objectives.

- Completes required documentation in a timely manner for the purpose of completing daily logs and student's hourly activities.

- Follows and collects data on success plans and/or behavior intervention plans for the purpose of promoting appropriate school behaviors.
Models conversation, behaviors, cleanup activities, listening, and everyday interactions for the purpose of maintaining a safe and positive learning environment.

Monitors students during assigned periods within a variety of school environments (e.g. bus stop, crosswalk duty, playground, classroom, field trip, assembly, kitchen, cafeteria, etc.) for the purpose of maintaining a safe and positive learning environment.

Prepares and organizes daily work materials and work spaces for the purpose of ensuring availability of items and providing written documentation.

Provides sensory interventions under the guidance of therapist and teachers for the purpose of keeping students calm and ready to learn.

Provides instruction to students under the direction of the classroom teacher for the purpose of implementing IEP goals assisting in adapting to mainstream classrooms and ensuring student success.

Responds to emergency situations for the purpose of resolving immediate safety concerns.

Other Functions
- Performs other related duties as assigned for the purpose of ensuring the efficient and effective functioning of the work unit.

Job Requirements: Minimum Qualifications

Skills, Knowledge and Abilities

SKILLS are required to perform multiple tasks with a potential need to upgrade skills in order to meet changing job conditions. Specific skill based competencies required to satisfactorily perform the functions of the job include: adapting to changing work priorities; communicating with diverse groups; maintaining confidentiality; working as part of a team; and working with constant interruptions.

KNOWLEDGE is required to perform basic math, including calculations using fractions, percents, and/or ratios; read and follow instructions; and understand complex, multi-step written and oral instructions.
