Announcements
What a winter we had here at Kid’s Zone! We have been super busy with projects, playing outside, and tons of crafts. After our extremely cold start to the semester, we took advantage of the warmer weather that followed and spent lots of time outside, and we even brought our crafts out there! We have so many fun things planned for this spring, keep an eye out for all the projects your child will bring home!
Hello! My name is Cassidy Noftzger! I have been working here at EPiC for a little over a year now and hope to stay for many more! I am about to complete my second year of college for education, and will definitely take everything I’ve learned from these students into my future classroom one day!

Spanish Club
Recently here at Kid’s Zone, we have started up Spanish Club after school! Ms. Stephanie & Ms. Cassidy have taken on teaching the students some Spanish! They both have backgrounds with the language and are finding fun and exciting ways to help the students learn!

Our Clubs!
- Chess Club with Mr. Jaylen
- Sign Language Club with Ms. Kate
- Spanish Club with Ms. Stephanie & Ms. Cassidy
- Science Club with Ms. Taylor A
- Reading Club with Ms. Kenna
Exciting things coming...
Starting in April, Ms. Cassidy & Ms. Kenna are starting an Aquarium project with the kids! They will be making sea animals out of clay and creating an aquarium for them out of boxes. We also have lots of art projects we will be doing, and a kickball tournament in May! Look for more info about these things in April!
