Clubs

Starting in September, we will be introducing brand new clubs. We will have clubs such as Photography club, science club, board game club and more. In order to get the most out of them, we have decided to set aside a time specifically for clubs only during our early release every other Wednesday. We will have all clubs running during that hour before snack and the kiddos will get a chance to rotate between them so they can decide what they enjoy most!

Character Traits

This year we will be learning about character traits. Every month we will focus on a new trait and talk about what they mean. At the end of every month we will pick one child from each grade who has shown that trait and we will present them with an award.

We encourage our parents to talk with your kids at home about how they can show these traits at school, at Kid's Zone, and at home with their friends and family.

September - Respect
October - Responsibility

Junior Counselors

We have a brand new group of 5th graders, which means we are currently hiring for new Junior Counselors! Starting September 1st, our 5th graders will be given an opportunity to apply to become a Junior Counselor and help out with jobs such as KZ photographer, Student Center management, Gym suggestions and more. We can't wait to get the hiring process started!
