What’s Happening

We cannot believe that we are in spring already, with only 3 months left of school! In just those 3 short months we will be squeezing in 19 birthdays, 2 early release days, our 5th grade celebration, a Kid’s Zone talent show, and so much more! Time is going to fly by with all the fun we are going to be having here in Kid’s Zone! And we hope you are just as excited as we are!

Kindness Award: K- Charlie S.

In March we will be learning about Self-Discipline by exhibiting proper control over one’s words and actions.

In April, our character trait is Sense of Humor. We show it by knowing the appropriate use of humor to benefit self & others.

May is our last trait of the year, Courage. We will learn about having the confidence to face challenges, try new things, and express one’s ideas.
Clubs

Club days have changed from separate clubs to large group projects. For the next few months, we have many combined club activities planned.

We will be doing science by making elephant toothpaste, instant ice, and making our own ice cream.

We will be learning about photography and videography by making images with the sun and exposure paper, and learning about the rule of thirds.

And we will be adding lots of STEM activities as well such as building towers of cards, paper airplane contests, and much more!
