

# Kid's Zone Spring News!

## What's New?

We are starting Kazoo Club in April!!

Every child who joins Kazoo Club will receive a kazoo, that they can take home at the end of the school year.

In May, before the last day of school, we will record a performance with all participating students and post it to social media for parents to see.

If you would like to receive a copy of the video we can also email it to you.

## Crafts & Lessons

March 30th: Soap Making- after teaching students the importance of proper hygiene they will get to mix, color, and add fragrance to their own handmade soap bar.

April 4th: Outdoor Splatter Painting- we are going to have fun and make art outside. This could get messy.

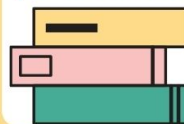

May 2nd: Solar Oven- Let's learn about heat rays and why it's important to wear sunscreen. To get ready for the hot summer sun we are going to attempt to make s'mores in a solar oven.

## Clubs & Activities

Reading Club: Students who read 5 books each week will receive a Capri Sun at the end of the week.

Kazoo Club: Twice a week students meet to practice group and solo kazoo performances.

Mark your Calendar!

April 28th - Fun Machine! We are having nachos!

May 20th - Fun Machine! We are having snow cones!

May 27th - Last Day Of School!

Say Cheese!
