

What a year it was!

It was a chaotic year at school and we had a lot of fun. We made new friends and loved every second of our time together.

So much to be thankful for in the last few months and so much to look forward to! We hope everyone has enjoyed their winter break and is ready to get back into the school spirit! I, for one, can't wait to see all the those smiling faces and hear the stories they have to tell us!

We look forward to even bigger and better things in the New Year.

Let's hear it for the counselors!

I would love to take this opportunity to thank our dedicated counselors who were so supportive this year. I could not have made it through this first semester without my amazing team working alongside me so a huge shout out to them! (Not all staff in photos)

CLOSE FRIENDSHIPS MADE
THE YEAR SPECIAL.

The first semester of the 2023-2024 school year went by faster than all of us thought it would but we are so excited to start the new year with everyone. Many more fun things to come!
